

Principal's Report

SAC Meeting

February 10 2026

Academic

- We had our assembly on Teaching Humility and Honesty
- We are now starting Honesty & Truth
- Art Workshops throughout the building print making, bookmarks, journals
- Pottery lab our Grades 4 and 5's.
- Mr Pickles was in for Math workshop with kids More about asking questions to students instead of giving the answer, problem solving letting them figure it out
- Grade 6 Results
 - Math 16/40 did not meet
 - Reading 14/40
 - Writing 31/40
- New Curriculum in P-2 Our ELST teacher is working closely with P-2's individually, in classrooms and in small groups
- Teachers continue to do UFLI
- Grade 3 are getting a new writing program ThinkSRSD We just received a grant to give all teachers the PD on it. We are seeing a big difference in engagement and enjoyment of writing
- Mad Science came and did workshops for all classes
- African Heritage Month We are having an assembly on the 26th to honor and celebrate African Nova Scotian Excellence

Operations

- Hot Lunch some changes to the menu It's going pretty smooth
- Hold and Secure for our students for medical reasons
